Theodore F. Davis of Ohio Relates His Experience

WITH THE STANDARD OIL

Mr. Westgate Also Details Some Sad Reminiscences

Washington, D. C., June 9.-Ex-State Senaror Theodore F. Davis of Ohio was the first witness before the industrial comnission today. Mr. Davis said that the ome into the central of most of the prohad purchased considerable oil from the Standard company and that it was the custom of the Standard company to charge p its lower of all by fire, leakage, etc but district. He also said that the Stan ard company had such close relation with the relirond companies and so comslotely controlled the markets as to ren-ter it almost impracticable for any reiner to enter upon the manufacture bricants. He said that on one occasion clerk of his firm had been offered mone the Standard company for information heme the clerk refused, but the firm be ime satisfied that the Standard compan d information of every barrel shippe y his house. Every shipment was folowed up and the consigned approached with offers of oil at lower rates. The omporthers also resorted to duplicating is brands and sending out under them nferior articles of Bil. The competition ecame so fierce that his house was com-

Mr. Parlips asked Mr. Davis if it was not fact that the profits of the Standard gold than the cost of the article, but witness declined to answer, pleading enorance on the point. It was a fact, he aid, that the Standard Oll company had smantled them, but he was not prepared o say that such refineries were well neugh to render it profitable to maintain them. Nor was he prepared to say that ny oil company was comaged in proc tices which any other would not resort t to get business under the same circum
